

Transition to Kindergarten: Early Intervention to the Individualized Education Program

The transition to school age special education can be a confusing, stressful time for both the parents and the child in ECSE, but it doesn't have to be. Come to this transition workshop and find out what parents need to know about school age special education including:

- What laws govern special education
- Evaluations, re-evaluations and eligibility
- The components of the Individualized Education Program (IEP) and how it is different from an IFSP
- Tips for parents on helping their child make a smooth transition to kindergarten
- Procedural Safeguards.
