# rise

respect, inspire, support & educate

This conference provides a welcoming, environment for parents of children with disabilities  
to *learn, network and relax!*

During this two-day period we will have a myriad of interactive sessions with topics that include:  
early childhood education, behavior, sexuality, transition, age of majority, brokerages, bullying, social networking  
among many others!!! Along with vendors, exhibitors, a silent auction, a raffle,  
a social dinner with entertainment and more!
