

# Camp Easter Seals Oregon

Camp without Barriers for Children and Adults with Disabilities

Camp Easter Seals recognizes the gifts and potential of our campers.

We create an environment that

emphasizes the campers' abilities and independence, as well as the development of their leisure skills, social skills and appreciation of the outdoors. Participants make friends, learn about and explore nature, sing songs around the camp fire, gain confidence, and create memories that linger long after the camp fires have died down.

## Residential Camp Sessions
